

September 2015

Greetings

I am forwarding Ascending Life- Canada, Spiritual Resource Journal in a slightly different format, enabling you to adopt the articles to your specific needs, without having to download the whole publication at once.

It is our humble hope that the prayerful reflections, meditations, and thoughts will be inspirational and lead to a heightened spiritual growth, and an awareness of the grace and goodness of God.

September and fall, after a time of rest, relaxation and valuable spent with family and friends, brings with it, a sense of time for renewal and is perhaps a time to find time to spend with our Lord. I forward an article which might be utilized, as a meditation, titled "A Quiet Place with Jesus," May you find in your journey of individual spiritual renewal this, as encouragement in answering your call to service, and as a resource in your Gatherings.

In, addition, in dedication to our Blessed Lady, attached find an article solely devoted to prayer and meditation with Our Lady. The Feast of the Holy Rosary. September 9, 2015. May we always make our Blessed Mother a part of our Faith.

Also, find month of September and October reflections on the Gospel of Mark.

We continue to ask for your prayers in preparation of this Journal, and seek always, your suggestions, input and yes, your response, negative or positive to the articles included.

Sincerely yours in Christ

A.M. Dutrisac
