What is the “New Evangelization”

It's anything we do in word, deed or prayer to lead people into a deeper relationship with Jesus our Saviour.

It is sharing the "Good News".

It's loving people enough that you want

them to know the love, the peace, the joy that comes from a relationship with Jesus.

The “New” refers to the new passion, new methods and new expressions. The message has not changed but the

culture we live in has.

We need this newness to share the “Good News” effectively with those who have forgotten the message or have never heard it or understood it.

What is the New Evangelization Summit?

This two day conference will bring together speakers who are leaders in the New

Evangelization to provide inspiration, encouragement, training, practical wisdom and resources on how Catholics can effectively evangelize. All Catholics – pastors, missionaries, lay ministers, and the lay faithful – will benefit immensely from this powerful opportunity to be further equipped in the fundamental mission of the Church. The annual NES will be held in Ottawa and streamed to 31 host sites.
