

Several children in our parish  
are preparing for the Sacrament of Eucharist.  
Please keep these children in your prayers  
as they journey to the Sacrament.

This weekend, the children and parents  
are being introduced to Theme 1.

The following are the goals for this gathering:

♥  
to encourage the parent and child  
to focus on the importance of family meals and celebrations

♥  
to awaken in the child's heart  
the joy of being invited to Sunday Mass

♥  
to help the child discover the meaning of Sunday  
for the Christian community
