What is the “New Evangelization”

It's anything we do in word, deed or prayer to lead people into a deeper relationship with Jesus our Saviour. It is sharing the "Good News".

It's loving people enough that you want them to know the love, the peace, the joy that comes from a relationship with Jesus.

The “New” refers to the new passion, new methods and new expressions. The message has not changed but the culture we live in has.

We need this newness to share the “Good News” effectively with those who have forgotten the message or have never heard it or understood it.

“I HAVE COME TO LIGHT A FIRE ON THE EARTH...”
-Luke 12:49

What is the New Evangelization Summit?

Held in Ottawa, it is a simulcast to 15 host-sites — providing a way for Catholics from around North America to participate in this ground breaking event.

This conference will bring together

speakers who are leaders in the New Evangelization to provide inspiration, encouragement, training, practical wisdom and resources on how Catholics can effectively evangelize.

All Catholics – pastors, missionaries, lay

ministers, and the lay faithful – will benefit immensely from this powerful opportunity to be further equipped in the fundamental mission of the Church.

Our Goals

TO INSPIRE:
Our hearts need to be set on fire with a love for Christ and a desire to make Him known. Only a person that is deeply convinced of the need for evangelization will begin to go out and do it. It is easy for our love to grow lukewarm and our hearts to grow cold. We need to be reminded and inspired regularly of the tremendous gift God has for us: to be an instrument in leading another person to salvation.

TO FORM:
Any noble task requires preparation and formation. With world-class speakers, the NES will offer initial formation which will give participants new ideas, new programs, and new ways of looking at evangelization in the context of their every day lives.

A deep conviction will be paired with a way to go forth and do it.

TO CONNECT:
Like-minded Catholics from across a continent will be united in one goal. They will be connected with each other and form a network of Catholic evangelists.

The NES will connect parishes who can become a support to one another as they strive to live out their missionary call.
