PRO-CATHEDRAL PARISH HALL

For several decades, Catholic leaders have been calling for a “new evangelization” or “re-evangelization of the baptized.” Popes John Paul II, Benedict XVI, and Francis have emphasized that such *evangelization will lead to renewal within the Church and the transformation of our culture.*

This is our opportunity as a community to respond to this call!

Responding to the Great Commission of Jesus Christ and the call to a *New Evangelization*, Mission of the Redeemer Ministries seeks to inspire and form lay Catholics into holy and effective evangelists so that they may share the Gospel in all contexts of their lives.
