

Paving the Way ~ Our Brick Campaign

We are all proud of the Cathedral and the statement it makes as a visible sign of history, love, and service in our community. We want to make the Cathedral a safe and beautiful place for our parishioners and visitors.

Many of our walkways have fallen into disrepair and it is necessary to replace the broken walkways as they are a prime trip and fall hazard. After consultation with our building committee and receiving quotations, it was decided that replacement with interlocking brick is the cost-effective solution.

We are asking for your consideration in making a donation to help pay for the bricks.

Our Goal is to Raise \$56,000 - *Any Donation Amount is Appreciated!*

Included with your donation is a "Virtual Brick" that we will place on our website to build a "Virtual Brick Wall". These bricks can be inscribed with your custom message.

You can donate in memory of a special loved one, in honour of someone, recognize your school or business, or even to mark a special date in your life (graduation, birthday, sacrament, anniversary or wedding) - the possibilities are endless! *Please see reverse for samples.*
