NEWSLETTER

Mission Statement:

We demonstrate Christ's love to anyone challenged by an unexpected pregnancy or pregnancy loss by providing hope, emotional and practical support. Accurate information and education is offered in a non judgmental, confidential and compassionate environment.

"The LORD is gracious and full of compassion, slow to anger and great in mercy. The LORD is good to all, and His tender mercies are over all His works.

Psalms 145: 8-9

Mercy. That word keeps coming back to me. I realize as I observe the world today, one of the things that is falling away is mercy. The emphasis seems to be to tear down, rather than to build up. Just one of the reasons the world is such a dark place. And yet we serve our God who is RICH in mercy. His mercies are new every morning. What a privilege we have, as Christ's Image Bearers, to share His mercy with our clients at the Pregnancy Help and Resource Centre. Our list of clients continues to grow. We have been approached by several agencies in town, calling on behalf of a client, who is facing an unprepared for pregnancy, and could we help her? Yes we can. The situations vary, but the need is the same. *Can you help me?* Many of our clients have no family close enough or are unable to help. Some are facing an unexpected pregnancy utterly alone, and in their time of crisis, can see only one solution. It is our prayer that they will allow us to walk alongside them, offering them time to move beyond the crisis before making a decision that will have a lasting impact. It is easy to extend mercy, compassion and hope to someone else when we remember the One who first extended it to us. Without you, our partners, we could not do what we do. You are vital to this Ministry. We thank you for allowing us to continue and grow. And I can tell you, our clients are very, very grateful for the support they receive. May God Bless you and yours.

**With Gratitude,
Judy Proulx
