To: Parishes, Diocese of Sault Ste. Marie

Re: Participate in an episode on December 25th to offer your Christmas wishes

Team *Église diocésaine* is inviting you to actively participate in one of our weekly episodes available on YouTube, Facebook, Twitter and also shown on three community television networks: Sault Ste. Marie, North Bay and Sudbury.

Bishop Thomas Dowd will be giving his yearly Christmas message and we would like to follow it up with wishes coming in from every corner of our diocese and in your language. This would embrace the diversity and the richness of our diocese. The more parishes that participate, the more the uniqueness of our diocese will be displayed.

How can you participate in sharing your Christmas wishes?

- By using a cellular phone or another device of your choice, film your Christmas wishes (5-15 seconds), either through individuals, various groups or committees. Then by **December 5th the latest**, we ask you to transfer your wishes:
 - by email to our technician Guillaume at studio@ssmd.ca OR
 - to his cellular phone at **705 921-5565**.
- Clearly indicate the name of your parish that you want to appear on the screen. The editing team will then be able to complete the episode.

Église diocésaine aspires to be a source of evangelization and spiritual growth for the listeners of all ages in our diocese. On behalf of our team at *Église diocésaine*, I look forward to hearing from you.

Yolande Clément
