From The Board Of Directors:

The Board of the North Bay Pregnancy Help And Resource Centre is pleased to announce the appointment of Cami Duggan as the new Executive Director effective February 6th, 2023. Cami has a strong Christian faith and has many other qualities and qualifications that will be very useful to the Centre. She is enthusiastic to assume this new role and we as a Board are very thankful to have her on board. Judy Proulx, the present Director has volunteered to stay on to help with the transition, for which we are very grateful as well.

From The Client Services Director:

Thank you so much for your continued generosity to the Centre. In January we welcomed three new clients. We welcomed one new baby. Two layettes were given out. Three clients received maternity clothing. Many clients received assistance with baby clothing, baby food and formula, One family received a new car seat.

We are hosting a day-long pre-natal class in February, and it has received a good response, with several clients attending. I am so grateful to be part of this Ministry, and to witness the heart of the community (you) as we come together to aid "the least of these."

With Appreciation,
Wanda Schild
Client Services Director
