Pro-Cathedral of the Assumption Council

Celebrating 103 Years!

Congratulations to our Members for their witness to the love of God through ministry and service!

We are proud of your members, of your accomplishments, and of the contribution that your years of service represent in our parish, our community, and in Canada.

Grateful for Your Service

As pastor and spiritual advisor I am grateful for the many ways that the CWL has put faith into action at the local level. Individually we feel that we can only do so much; collectively we know that we can do more. As a parish organization, the CWL has collectively made us proud by your many activities. The league has also nourished the faith of its members in ways that cannot be obtained elsewhere. Through your prayer services, days of reflections, conferences, conventions and socials, the gospel of Christ has been experienced in profound ways. Many friendships have been made and strengthened through the CWL, many women new to the city have found acceptance through the CWL and many newly retired women have found a worthy organization to volunteer in through being active in the CWL. This was the case for my mother when she retired from the workforce. Celebrating 103 years is a milestone in the life of an organization. May God's blessings and guidance continue to grace Pro-Cathedral CWL for many more years.

So many reasons to be proud!

The Pro-Cathedral Council of the CWL supports many worthwhile endeavours, including: Pornography Hurts Campaign, School Lunch Programs, North Bay Food Bank, Catholic Charities, Post-secondary School Bursaries, Meals on Wheels, The Compassionate Committee, The Gathering Place, Right to Life, Development and Peace and more! These, among many other commitments contribute tremendously to the life of our parish and serve our community.
