

THE CHALLENGE IS ON!

PLEASE BE GENEROUS!

This weekend, April 13/14 a parishioner has offered to match the **LOOSE CHANGE** given in the Second Collection for the roof (up to \$1,000).

We are averaging about **\$450** in our loose change collection every weekend. *If we can double our generosity this weekend, we will be much further ahead in our roof campaign.*

Thank you to this anonymous donor who has offered the challenge to any other parishioner to match the Loose Collection in the future.

If you would like to participate in this way, please let us know – we would love to hear from you. Your generosity can be acknowledged or remain anonymous at your choice.
