

God has a Plan and you are in God's Plan.

Preparing the cruets and Chalice for

Taking time to reflect on the Word of God and make it my own.

Another ***Good Shepherd Atrium*** year has come to a close. As we followed the liturgical year children and catechists listened and reflected together on the Word of God and the prayers of the Mass. This year our atrium families and Fr. Francis, joined us in the church to celebrate Pentecost.

We each asked for one of the gifts of the Holy Spirit to carry us through the summer until we meet again. Fr. Francis closed with a blessing for all our mothers. A great big thank you to our faith communities, our parish secretaries, our priests and all our families. We look forward to seeing you again in the fall after Thanksgiving. The photos are a small glimpse into life in the atrium this past years. c

Shalom all my friends until we meet again. Erin T, Susanne C, Susan P. Barbara N and Lu L.

The Kingdom of God is like yeast that a woman works into the dough and waits while the dough rises.

Everyone enjoyed spending time with Fr. Larry. Together we explored the cupboards and discovered all the vessels for Mass and all the different Coloured priests' vestments.

The Upper room last supper
