PRO-CATHEDRAL OF THE ASSUMPTION

480 McIntyre Street West - North Bay, Ontario - P1B 2Z4

Welcome to Your Father's House!

Elijah prays for death but is instead awakened by an angel of the Lord who commands him to eat and drink before traveling to the Lord’s mountain, Horeb. Paul exhorts the Ephesians to imitate God and treat each other lovingly. Jesus responds to the murmurings of the crowd reaffirming his claim that he is the living bread, come down from heaven, source of eternal life. In the Eucharist, the Lord has given us a great gift: his whole self – body, blood, soul, and divinity. This can be challenging to accept since our eyes see what looks like bread. But those who see and receive this gift with the eyes of faith, trusting in the Lord’s words that he is the bread of life, can rejoice in his promise of eternal life.

Our Parish Mission Statement

We, the members of the Pro-Cathedral of the Assumption community, believe that we have been called through Baptism to live the Good News of Jesus Christ under the patronage of Mary, our Mother.

We accomplish this by proclaiming the Word, celebrating the Sacraments, & reaching out to others.

Do we see Jesus in the Eucharist, the poor and difficult people?

Jesus describes himself as the bread of life. It is Faith that allows us to see that the Eucharist is not just bread, but the living presence of Jesus. The humility of the all powerful God is seen in this as well, Jesus becomes so weak as to be held in our hands, in a sense to be cared by us as we are to receive with reverence. Seeing Jesus in the bread of the Eucharist, this is Faith.

But, we are also to see Christ present in the weakness of the poor. That also requires Faith, to find and see Jesus in the poor, in the difficult people in our life.

The person who is unemployed and in the struggles drinks too much. Some might look at them and call them lazy and irresponsible and not deserving of our care. *Are we able to see the face of Jesus?*

The person struggling with depression. Some might look at them with no understanding and complain about their lack of effort. *Are we able to see the face of Jesus?*

The person who commits murder. Some might look and say they do not deserve to live but even a person who commits murder remains a human being who is capable of redemption. *Are we able to see the face of Jesus?*

The person who is sick and dying with cancer. Some do not want to see this weakness and illness. *Are we able to see the face of Jesus?*

The person who is a refugee from a country or religion we are not comfortable with. Some would want to reject them. *Are we able to see the face of Jesus?*

It is possible for us when looking at human beings in difficult places in life, to see them as things, as objects, they often lose their self respect, we see them as less than human. Our Faith calls us to find and see the face of Jesus.

Jesus, the bread of life. We need Faith to see him in the bread consecrated at Mass. We also need Faith to see the face of Christ in the poor, the sick, the difficult people in our life.
