Dear Pro-Cathedral Parishioners,

We are excited that the Pro-Cathedral is partnering with the North Bay Pregnancy Help and Resource Centre by hosting the Baby Bottle Campaign. This is one of the major fundraisers for The North Bay Pregnancy Help and Resource Centre.

Please take a bottle home with you today – and over the month of August fill it up with change, bills, or a cheque. Then bring it back to the Pro-Cathedral by the end of August.

See Reverse for “How it Works”

The monies raised help the Centre provide caring and confidential support for women experiencing unexpected pregnancies. We also provide maternity clothes, new baby items for women who choose to parent, and gently used baby items for babies up to 2 years old.

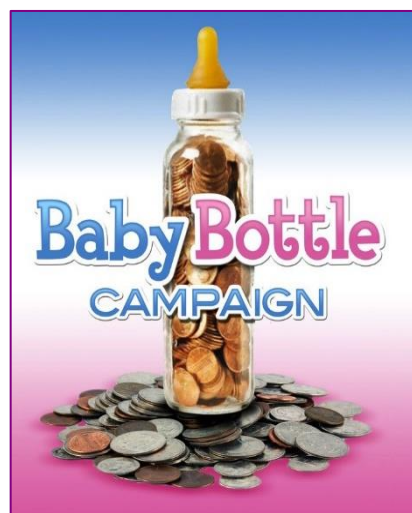

Other items that we supply are soaps, creams, diapers and wipes, formula, car seats, bassinets, outfits, blankets, bathtubs, bouncy chairs, clothing, and much more.

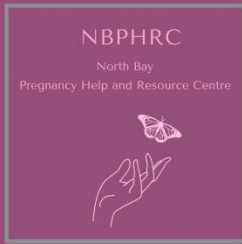

Your donation is greatly appreciated in helping the Pregnancy Centre continue to provide support to North Bay and surrounding areas.

Donations over \$20 will receive a tax receipt – just fill out the information card attached to your bottle.

**Tax receipts will be issued by our office so please make all cheques payable to:
North Bay Pregnancy Help & Resource Centre.**

God's Blessings and thank you.
